We are currently filling three positions on our volunteer Board of Directors for Mahila Partnership.

Board members serve in an advisory capacity to the Mahila Partnership staff. Board members draw on their leadership experience to provide guidance and governance on both organizational and financial development considerations for Mahila Partnership. Board members are not required to know everything about nonprofit organizations or disaster management, but they are expected to act prudently and in the best interests of the organization. They approve operating budgets, establish long-term plans, and carry out fundraising activities.

Specific Board Member Requirements:

- Board members will attend Mahila Partnership's annual retreat in Costa Rica (typically scheduled at the end of June each year) and participate in one Board of Director's conference call in the December / January timeframe.
- Board members will agree to serve a 3-year term.
- Board members will be responsible for securing a minimum of \$10,000 in donations or retreat sponsorship money for Mahila per year. 100% of an organization or individual's investment in Mahila is applied to the initiative of their choice.
- Provide input and advice on how Mahila will achieve its core mission and maintain strategic priorities

In addition to Board positions, we have volunteer opportunities including advocacy, public relations, fundraising, event planning, and an upcoming delegates program.

Please feel free contact us for additional information. We are accepting applications for our 2012-2015 Board of Directors through December 2, 2011. To apply, please send us a cover letter and resume to info@mahilapartnership.org.
